Basketball team has also had an excellent season under Mr. Jackson, presently with a record of 11-1. The Freshman team has experienced some difficulty thus far, but we are confident they will work out their flaws to become another great basketball team.

This year's Rampage Staff struggled to meet several of its production deadlines, but came together when it was important, and got the job done. The combined efforts of the three veteran staff members and the nine 'rookies' made the atmosphere in the yearbook classroom a new experience and there are hopes that many more will join next year. Mr. Day, the yearbook co-ordinator, applied the pressure that was needed to meet the deadlines and made this book possible.

Sister Michael Delores arranged the first annual Fall Carnival. The carnival was a great success for Bishop Hogan High.

The purpose of the carnival was to draw the students closer together. As an example of this, each homeroom designed and set up their own booth. The majority of the student body participated in this big event of the year. Most of the students felt it was a worthwhile project.

Our English department this year consisted of the usual English I, II, III, Mass Media, Advanced Literature, Science Fiction—a new addition, College English, World Literature, Afro American Literature and Creative Writing. The teachers in this department this year were Mr. Duschen, Mrs. Diemer, Mrs. Storey, Mr. Day, with the addition of Sister Paulmarie. They attended an English Teacher's Convention held in Kansas City. At the convention, they were given the chance to compare notes with other English teachers.

History

This years history department was once again headed by Mr. Louis Read with a new addition to his staff, Mr. Carl Jenkins. The rest of the history department was sparkled by Mr. Ed Lewis, Sister Michael Delores and Sister Paul Marie. There are many different history classes at Bishop Hogan, each class has a variety of things to do and new ideas to learn.

1. "Tyrone, I see you sleeping back there." 2. Mr. Jenkins teaches a very small History class. 3. These guys take notes! 4. "And this is where we are"

Miss Virginia Berney is the head of the Religion Department. Many of the various opportunities for religious education are: The required Religion I through IV; Church, which teaches the student about the community and its message; Death and Dying, which deals with a realistic approach to death; Prayer, which covers the methods, approaches and experiences of prayer. There is also Christian action, which lets the student act on his/her own beliefs.

Physical Education
